## Google Cybersecurity Professional Certificate V2

Issued by: Coursera

Issued to: Adugna Gizaw

Issued on: 16 August 2024

### Description

Those who earn the Google Cybersecurity Certificate have completed eight courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in cybersecurity. They are competent in beginner-level Python, Linux, SQL, Security Information and Event Management (SIEM) tools, and Intrusion Detection Systems (IDS). They know how to identify common cybersecurity risks, threats, and vulnerabilities, as well as the techniques to mitigate.

Total Credits: 7

Grade: Pass

### Credit Recommendation

- 7 semester hours

Course Number: GOOG-0007 (v.1)

Total Credits: 9

Grade: Pass

### Credit Recommendation

- 3 semester hours in Introduction to Linux in the lower-division undergraduate category
- 3 semester hours in Attacks and Exploits in the lower-division undergraduate category
- 3 semester hours in Security Fundamentals in the lower-division undergraduate category

## Google Project Management Professional Certificate

Issued by: [Coursera](#)

Issued to: Aduana Gizaw

Issued on: 16 August 2024

### Description

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

Course Number: GOOG-0003 (v.1)

Total Credits: 9

Grade: Pass

### Credit Recommendation

- 3 semester hours in project management in the upper-division undergraduate category
- 3 semester hours in introduction to project management in the lower-division undergraduate category
- 3 semester hours in Agile project management in the upper-division undergraduate category

Total Credits: 6

Grade: Pass

### Credit Recommendation

- 6 semester hours

## Google IT Support Professional Certificate (v2)

Issued by: [Coursera](#)

Issued to: Aduana Gizaw

Issued on: 16 August 2024

### Description

Those who earn the Google IT Support Certificate have completed five-courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in IT support. They are competent in foundational skills, including

troubleshooting and customer service, networking, operating systems, system administration, and security.

**Total Credits:** 5

**Grade:** Pass

**Credit Recommendation**

- 5 semester hours

**Course Number:** GOOG-0001 (v.2)

**Total Credits:** 15

**Grade:** Pass

**Credit Recommendation**

- 3 semester hours in Introduction to Computers in the lower-division undergraduate category
- 3 semester hours in Systems Administration in the lower-division undergraduate category
- 3 semester hours in Introduction to Cybersecurity in the lower-division undergraduate category
- 3 semester hours in Networking Fundamentals in the lower-division undergraduate category
- 3 semester hours in Operating Systems in the lower-division undergraduate category

## Google Business Intelligence Certificate

**Issued by:** Coursera

**Issued to:** Adugna Gizaw

**Issued on:** 17 August 2024

### Description

Those who earn the Google Business Intelligence Certificate have completed three courses that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in business intelligence. They are competent in creating processes that transform data into actionable insights to inform business decisions, developing data visualizations, and building dashboards that employ design best practices to meet stakeholder needs.

**Course Number:** GOOG-0008 (v.1)

**Total Credits:** 6

**Grade:** Pass

**Credit Recommendation**

- 3 semester hours in Data Modeling and Decision Making in the lower-division undergraduate category
- 3 semester hours in Foundations of Business Intelligence in the lower-division undergraduate category

**Total Credits:** 3

**Grade:** Pass

**Credit Recommendation**

- 3 semester hours

## Google Advanced Data Analytics Certificate

**Issued by:** Coursera

**Issued to:** Adugna Gizaw

**Issued on:** 19 August 2024

**Description**

Those who earn the Google Advanced Data Analytics Certificate have completed seven courses that include hands-on, practice-based assessments and are designed to prepare them for advanced roles in data analytics and entry-level roles in data science. They are competent in exploring large datasets, applying data analysis techniques, and building models to extract insights. They are also competent in machine learning, predictive modeling, and statistics.

**Course Number:** GOOG-0009 (v.1)

**Total Credits:** 9

**Grade:** Pass

**Credit Recommendation**

- 6 semester hours in Introduction to Data Science in the lower-division undergraduate category
- 3 semester hours in Introduction to Python in the lower-division undergraduate category

**Total Credits:** 8

**Grade:** Pass

**Credit Recommendation**

- 8 semester hours

## Google Data Analytics Professional Certificate

**Issued by:** Coursera

**Issued to:** Aduana Gizaw

**Issued on:** 21 August 2024

### Description

Those who earn the Google Data Analytics Certificate have completed eight courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Data Analytics. They are competent in tools and platforms including spreadsheets, SQL, Tableau, and R. They know how to prepare, process, analyze, and share data for thoughtful action.

**Total Credits:** 7

**Grade:** Pass

**Credit Recommendation**

- 7 semester hours

**Course Number:** GOOG-0004 (v.1)

**Total Credits:** 12

**Grade:** Pass

**Credit Recommendation**

- 3 semester hours in introduction to databases in the lower-division undergraduate category
- 3 semester hours in introduction to SQL programming in the lower-division undergraduate category
- 3 semester hours in introduction to systems analysis in the lower-division undergraduate category
- 3 semester hours in introduction to R programming in the lower-division undergraduate category

## Microsoft UX Design Professional Certificate

Issued by: [Coursera](#)

Issued to: Adugna Gizaw

Issued on: 14 February 2025

### Description

Through hands-on projects and expert-led instruction, you'll learn the entire UX design process, from conducting user research and creating wireframes to designing high-fidelity mockups and prototypes. You'll also learn essential soft skills like collaboration and communication, crucial for success in any design role.

Course Number: MLS-0107 (v.1)

Total Credits: 10

Grade: Pass

### Credit Recommendation

- 1 semester hour in Digital Marketing in the lower-division undergraduate category
- 3 semester hours in Fundamentals of UX/UI Design in the lower-division undergraduate category
- 3 semester hours in Systems Design in the lower-division undergraduate category
- 3 semester hours in Advanced UX Design in the upper-division undergraduate category

## Google AI Essentials V1

Issued by: [Coursera](#)

Issued to: Adugna Gizaw

Issued on: 13 August 2024

### Description

Those who earn the Google AI Essentials certificate have finished five modules that are designed to prepare them to integrate AI into their work. They have a foundational understanding of AI principles and practical experience applying generative AI tools to workplace tasks. They have developed the skills to write clear and effective prompts, determine if an AI tool is right for a given task, and use AI responsibly. They have applied their knowledge through hands-on activities and assessments.

## Project Management Essentials

Issued by: [Coursera](#)

Authorized by: [IBM](#)

Issued to: Adugna Gizaw

Issued on: 21 August 2024

### Description

The badge earner has demonstrated their understanding of the fundamentals of project management. They can describe what project management is, its benefits, and the role it plays in projects. They can explain how project managers perform their duties in organizations, as well as the skills and qualifications required to work in project management. The earner is prepared to describe different roles, industries, and opportunities available when seeking a career in project management.

## Project Management Job Search, Resume, and Interview Prep

Issued by: [Coursera](#)

Authorized by: [IBM](#)

Issued to: Adugna Gizaw

Issued on: 21 August 2024

### Description

This badge earner can perform a job search and conduct company and industry research. They have demonstrated their skills in drafting a resume, a cover letter, and an elevator pitch. They have gained knowledge about the different interview stages, including how to prepare for the interviews and answer questions during an interview. The badge holder also understands the steps to take when they receive or don't receive a job offer.

## Computer Hardware Basics

Issued by: [Cisco](#)

Issued to: Adugna Gizaw

Issued on: 21 August 2024

### Description

Cisco verifies the earner of this badge successfully completed the Computer Hardware Basics course and achieved this student level credential. Earner has fundamentals knowledge of computers and mobile devices, how they work, as well as the basic concepts and skills needed to install components to build, repair, upgrade personal computers and and basic

troubleshooting tools and techniques.

## Data Analytics Essentials

Issued by: [Coursera](#)

Authorized by: IBM

Issued to: Adugna Gizaw

Issued on: 22 August 2024

### Description

This badge earner has demonstrated a foundational knowledge of Data Analytics. The individual can explain what is Data Analytics, list the key tools and technologies within the data ecosystem, and has a conceptual understanding of the data analysis lifecycle. The badge earner is also able to describe the technical and soft skills required to become a successful data analyst.

## From Relational Model (SQL) to MongoDB's Document Model

Issued by: [MongoDB](#)

Issued to: Adugna Gizaw

Issued on: 19 March 2025

### Description

This digital credential validates your knowledge of converting SQL or relational models to MongoDB's document model. It recognizes your understanding of how to design data relationships and enforce schema validation to create efficient, well-structured applications with robust data models.

## GitHub Foundations

Issued by: [GitHub](#)

Issued to: Adugna Gizaw Sutuma

Issued on: 10 May 2025

Expires on: 10 May 2028

### Description

Passing the GitHub Foundations certification exam validates subject matter expertise by

measuring entry-level skills with GitHub basics like repositories, commits, branching, markdowns, and project management.

YOUR PARTNER FOR EXCELLENCE  
IN HIGHER EDUCATION **FIBAA**

# FIBAA TRANSCRIPT LEGEND

This transcript contains credentials certified by FIBAA – Foundation for International Business Administration Accreditation. The following policies apply only to FIBAA certified credentials within the transcript. FIBAA certifications support the recognition of prior learning by validating formal learning experiences gained outside European Higher Education Institutions against academic standards in the European Higher Education Area (EHEA), thus supporting learners to apply for and gain recognition of ECTS (European Credit Transfer System) credits when entering an academic programme in Europe.

[FIBAA \(Foundation for International Business Administration Accreditation\)](#) is a European quality assurance agency for higher education and continuing education programmes. Founded in 1994, FIBAA is registered as an accreditation agency in Germany, Austria, Switzerland and further countries in Europe and abroad. In Europe, FIBAA is a member of ENQA (European Association for Quality Assurance in Higher Education) and of CEENQA (Central and Eastern European Network of Quality Assurance) and registered with EQAR (European Quality Assurance Register for Higher Education). On a trans-European level, FIBAA is member of INQAAHE (International Network for Quality Assurance Agencies in Higher Education) and AQAN (ASEAN Quality Assurance Network).

Each FIBAA certification is conducted by a team of experienced university faculty, an expert from professional practice and a qualified student. The panel team assesses the content, scope, and rigor of an organization's educational programme against the standards of the ESG (European Standards and Guidelines), the ECTS Users' Guide and the EQF (European Qualification Framework). The panel team makes appropriate recommendations for comparable ECTS credits and competencies achieved by students. For more information on processes and standards for FIBAA reviews, visit [FIBAA: Certification Procedures](#).

## DEFINITIONS

**FIBAA Endorsement:** Credentials that carry a FIBAA endorsement of recommended ECTS credits are designated by the FIBAA logo in the left margin.

**Name:** Legal name as entered by the student at the time of transcript request. Because students may complete courses from multiple organizations, each credential also includes the name under which the credential was issued for tracking and verification if necessary.

**Issued on:** The date when the student completed the associated credential.

**Credit Recommendations:** Recommendations for credits are designated in ECTS. Each recommendation includes a total number of ECTS credits recommended and an EQF level assignment. Levels for which recommendations are issued include EQF levels 5 (mapping short cycle QF-EHEA), 6 (mapping first cycle QF-EHEA), 7 (mapping second cycle QF-EHEA) and 8 (mapping third cycle QF-EHEA).

**Grade:** FIBAA-endorsed credentials are only included on this official transcript if the student achieved a passing grade. FIBAA certification includes a validation of the assessments to be conducted by the learners, ensuring the assessments' appropriateness to reach the learning objectives on the assigned EQF level.

**Intended EQF-Level:** FIBAA certification includes a validation of the intended EQF level of the course to ensure learning objectives on EQF levels 5-8 (mapping the QF-EHEA levels short cycle, first cycle, second cycle, and third cycle, respectively).

## RESOURCES

**Additional information** on FIBAA-endorsed educational programs, such as learning outcomes, assessment methods, etc. can be found at [FIBAA: Certification Procedures](#).

**Inquiries:** Please address inquiries to FIBAA – Foundation for Internationale Bsinsees Administration Accreditation, Berliner Freiheit 20-24, D-53111 Bonn, Email: [info@fibaa.org](mailto:info@fibaa.org), Phone: +49(0)228-2803560

This document cannot be released to a third party without written consent from the student.  
Alteration of this document may be a criminal offense.

# AMERICAN COUNCIL ON EDUCATION TRANSCRIPT LEGEND

This official transcript contains credentials evaluated by the American Council on Education. The following policies apply only to ACE validated and endorsed credentials within the transcript. The American Council on Education's Learning Evaluations connects workplace learning with colleges and universities by helping adults gain access to academic credit for formal courses and examinations taken outside traditional degree programs. ACE is the national leader in the evaluation process for education and training obtained outside the classroom.

ACE Learning Evaluations reviews are conducted by experienced college and university faculty who assess the content, scope, and rigor of an organization's educational program and make appropriate recommendations for comparable college credit and competencies achieved by students. For more information on processes and standards for ACE reviews, visit <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/Colleges-Universities.aspx>.

## DEFINITIONS

**American Council on Education Endorsement:** Credentials that carry an ACE endorsement of recommended college credits or validated competencies are designated by the ACE logo in the left margin.

**Name:** Legal name as entered by the student at the time of transcript request. Because students may complete courses from multiple organizations, each credential also includes the name under which the credential was issued for tracking and verification if necessary.

**Credly ID#:** Due to a system of record change in 2019, student ID numbers may not match numbers on older ACE transcripts.

**Issued on:** The date when the student completed the associated credential.

**Courses:** ACE-endorsed credentials include a unique identifier that ACE assigns to courses and examinations. The letter prefix designates the organization providing the experience. Duplicates may appear if a student took and passed a course or examination more than once.

**Credit Recommendations:** Recommendations for college credit are designated in semester hour units (SH). Each recommendation includes a total number of SH credits recommended and a breakdown of one or more subject areas and credit levels. Levels for which recommendations are issued include Vocational/Certificate, Lower Division (100-200 level courses), Upper Division (300-400 level courses), and Graduate (500+ level courses).

**Grade:** ACE-endorsed credentials are only included on this official transcript if the student achieved a passing grade. ACE-endorsed courses and exams meet the following minimum grading requirements: Students must earn a minimum "C" grade for Vocational/Certificate, Lower Division, and Upper Division credit and a minimum "B" grade for Graduate level credit.

## RESOURCES

Additional information on ACE-endorsed educational programs, such as learning outcomes, assessment methods, etc. can be found in the National Guide to College Credit for Workforce Training at <https://www.acenet.edu/national-guide/>. Military training and occupations that carry college credit recommendations can be found at The ACE Military Guide at: <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/military-guide-online.aspx>.
